
HAPPY 2023!

As we near the end of 2022, I would like to take a moment to send our gratitude and thanks to all our clients for your support. Through the various coaching and workshop sessions we have run this year, we have come to know many of you, and have heard your dreams and aspirations, and we are so glad to have been part of that journey.

This year, we have had the pleasure of helping many of our executive clients achieve their goals despite the oncoming economic headwinds. I have coached clients for a wide range of industries and companies including Wood Mackenzie, Apple, Daimler, ACRA, OCBC, UOB, Credit Suisse, BP, Amazon, Dyson, Honeywell, Meta, Marina Bay Sands, Airbnb as well as other SMEs in the areas of tech, engineering, security, pharmaceutical, industrial, law, education, medical services, hospitality, risk management, finance, business development, marketing, digital marketing and others.

Our young clients who faced PSLE this year have also been a big part of our year. I am happy to have coached DSA candidates who received confirmed offers from schools including RI, RGS, HCI, NYGH, MGS, SCGS, NUSH, Dunman High, St Nicholas Girls, SOTA, NJC, Nan Hua, Temasek Sec, Victoria School, Singapore Sports School as well as entrance into international schools including SJII, ACSI and HCI. More importantly than the offers themselves, is the privilege of being able to prepare our young children with a life skill that will carry them far into their future.

Being able to interact with clients from all ages have formed a great part of our lives. Coaching students for scholarships such as the ASEAN scholarship, PSC scholarship, scholarships by IRAS, MPA, MINDEF, MOH, MOE as well as university entrance interviews for medicine, dentistry, law, engineering, physiotherapy, among others have been a total pleasure.

Listening to how new doors are opened after a successful interview and the stories that our clients share with us on their new experiences, skills, friends and colleagues makes us even more inspired and we will continue to carry this energy and positive drive into 2023.

I would like to take this opportunity to wish all of you a wonderful new year ahead and I wish you and your families all the very best for 2023!

Sincerely,
Siew Ling,
Founder, Discovering Potential
